### PRESIDENT'S CORNER

Fourteen members enjoyed dinner and a short meeting, at Evergreen Bowling Lanes. While waiting for dinner, Pat O. drew the winning ticket for our 50/50 drawing (the Club keeps one-half of the proceeds and the winner gets one-half) – thank you Pat for drawing my number!

Ron reported on our Lynden outing, where they experienced sunshine, rain, hail, thunder, rain, gray clouds and no rain, then more rain. Delicious meals were shared both at the community hall and at local restaurants. Three floors of the museum fascinated everyone

Wagonmaster Bob urged members to get signed up for the outings ASAP, and confirmed dates for the July outing – July 23-25 (Tues. - Thurs.), in Gold Bar. Our July meeting will be held at the potluck

at the Gold Bar outing. I handed out updated information for our May outing to Mossyrock, listing a few of the planned activities so everyone could plan appropriately. If you're interested in attending but haven't made reservations yet, please give me a call.

Doug O. reported that he, and Pete, is close to having our new website ready for launching. Way to go, guys! Thanks so much for your extra work and effort! The plague posted as people come into the Bowling Lanes, looks great – be sure to take a look at our next meeting. See you in Mossyrock in a couple weeks!

Pres. Sandy

## **THOUSAND TRAILS / LEISURE TIME PARADISE PRESERVE**

**May 16 – 19, 2013 (Thursday – Sunday)**

Location: Thousand Trails Paradise Preserve (Leisure Time) – near Mossyrock  
173 Salem Plant Road, Silver Creek WA 98585 (note: there's a typo on the flyer handed out at the meeting – “173” is correct)

Directions: I-5 south to Exit 68 (Morton-Yakima-Hwy 12 East); turn left over freeway and continue east on Hwy 12 approx. 14 miles;

Turn left onto SR-122 at the Silver Creek Grange (an old empty white building on the left which also has an “Antiques” banner-type sign on it, in addition to the “Silver Creek” signage); (grange is at the top of the hill where the truck lane ends – if you proceed past where the truck lane merges back to one lane, you've missed the turn); proceed and turn left on Schoen Road (first road on the left); proceed up the hill 1 mile and at the 90-degree left turn (watch for the arrow sign), go straight ahead on Salem Plant Road. There are Thousand Trails/Encore signs along the way.

Reservations: We have reserved 8 water/electric sites until the day after April's meeting, at which time I must send a complete list of those going and any remaining sites will be released. We can get more sites up until April 24. You will probably be able to get into the park after April 24 but might not be next to our group.

Thousand Trail Members call 800-859-7827 (automated/STARS system) or 800-288-7245 customer service

Non-members can go on-line at [www.1000trails.com](http://www.1000trails.com) > Reservations > Non-member Reservations @ “RVonthego” through Encore. This “RVonthego” page often has discounts, promotions, and coupons for camping – check it out!

Your family and friends are welcome to join us! Just let us know how many are coming.

Park Description: This preserve has over 200 sites, numerous tents sites and rental cabins and trailers. There's the usual club house, adult lodge, tennis courts, shuffle board, plus, 2 private lakes (one 5 acres in size and the other 10 acres). The park stocks the lakes with trout four times per season and no state license is required. The park does charge \$3 per day per person to fish, with a 3-fish limit per day. There are row boats and kayaks for rent or you can bring your own small boat – no gas motors – electric motors are OK. Just be sure let the ranger know if you bring your boat and motor. The setting for the park is gorgeous – views of mountains, lakes, rolling hills – as you drive in.
